**A Handbook for Year Three
Parents/Carers**

September 2016

Dear Parents/Carers

May we take this opportunity to welcome you back to school after the summer break and we look forward to meeting you and working together over the next year.

We have produced this booklet that is specifically for Year Three parents/carers, to help you to get to know us and our Year Three routine. We aim to establish a strong partnership between home, school and parish and hopefully you will find this information useful.

The Year Three Team

	Class Teacher	Teaching Assistant
Class 3SR	Mrs Natalie Smith Mrs Mary Robinson	Mrs Sonia Boulter
Class 3T	Miss Sarah Tilsley	Mrs Lin Powell

For the teachers' statutory Planning, Preparation and Assessment Time (PPA) cover for 3T will be provided by Mrs Wendy Amess (HLTA). Mrs Amess will communicate and plan with the Year Three Team. For 3SR, Mrs Robinson will cover PPA for Mrs Smith.

Please take note of our Class names (3SR and 3T) as when they are used on newsletters, etc. then the event will include your child. Year Three is also part of a key stage, so if you see KS2 (Key Stage Two) then this also includes your child.

Attendance

At St Peter's we have a high standard of punctuality and attendance to ensure the children have a settled start to the school day. We discourage families from taking holidays during term time and this should be avoided. The school has a strict attendance policy which parents are asked to support.

If your child is absent from school due to illness please telephone on the first day of absence before 9.30a.m. If the illness continues please inform on the third day of absence. On return to school your child should bring in a letter to explain their absence.

If you need to collect your child during the school day for a special reason, e.g. an urgent or unavoidable medical appointment, you will need to go to the school office so that you can sign your child out.

Registration

The school day is split into two sessions, morning and afternoon. The children in Key Stage One will be registered at 8.55 a.m. for the morning session and 1.15 p.m. for the afternoon session.

Winter Weather

On very rare occasions weather conditions have caused the school to close for the day. In the event of snow, please tune into the local radio stations for announcement of school closures – Radio Hereford and Worcester 104 FM. We also offer a text messaging service, so you will be informed via text if the school is closed due to snow.

Break Time

In the morning the children have a 20 minute break time. All children in Key Stage One are entitled to a free piece of fruit, which is from a Government initiative. If you wish your child to have milk then please contact 'Cool Milk' to set up an account. This can be done by telephoning 08448542913 or emailing registrations@coolmilk.com. We will then ensure your child receives their milk.

Lunchtime

It is imperative that your child's menu is returned to school as soon as possible as Class Catering order to request to ensure that children get their preferred meal choice.

In Key Stage Two the children's lunchtime starts with being called into the hall. When the children have finished their meal they are able to return to the playground. Key Stage Two children's lunch boxes and dinner trays will be checked before they leave the hall.

Whether your child has sandwiches or cooked lunches we expect good table manners. Please make sure that your child can use a knife, fork and spoon correctly. The lunchtime supervisors help the children to cut up food if help is needed. "Please" and "Thank you" are very important words at St. Peter's which children are encouraged to remember.

Reading at Home and ERIC Time at School

Last year, in order to develop and promote 'a love of reading' we decided to make some changes to the way home/school reading is managed.

In every year group the children are able to choose a new reading scheme book from the classroom when they have finished the book that they are reading. The children will know which colour box they need to choose their book from, and this will be written in their reading record.

Before changing their book it is expected that their reading diary will have been signed by an adult to show that the child has read and discussed their book.

The children will continue to have guided reading sessions in school where specific reading skills will be taught. It is during these 'guided sessions' where children will be heard read by a teacher and other members of school staff. They will only be heard read books from the reading scheme periodically in order to ensure that the level and content are appropriate.

The children also have an opportunity to visit the school library and choose a book which they then keep and return at the next class library session.

When sharing a book talk to your child about what he or she thinks might happen next in a story, how the story might end and then ask them to retell the story themselves. Picture books are very important to promote discussion, so look for books without any words to help your child practise this skill. Have fun acting out stories together. Your enthusiasm for a book will help your child to understand that books are exciting.

Your child will receive a bookmark with their book and this should target the objectives that your child is working on.

Make reading times fun and relaxed and you will see your child's confidence grow!

Spelling Quiz

Each week your child will receive a list of spellings to practise at home. The following week we will have a spelling quiz. Spellings will consist of words containing certain spelling patterns, high frequency words or common exception words. If there are words that your child is finding tricky, your child may be asked to practise them again. We encourage the children to apply their spelling skills in all of their written work.

Home Learning

The Homework Policy was reviewed in the light of comments gathered from pupil interviews and parent interviews (September 2015). The policy sets out the clear purpose of homework and the roles of Academy Representatives, Head Teacher, Class Teachers, children and their parents/carers.

At St. Peter's we are very committed to building strong home/school links. We know that education is most effective where there is a positive partnership between home and school. We hope that homework will increase a child's enjoyment of learning and his/her understanding. We know that it is crucial that we offer support to parents/carers so that there is a better understanding of how learning can be further extended at home. In this policy the term homework refers to any work, task or activity which children are asked to do outside of lesson time, usually with parents or carers.

Home Learning information will be provided by the class teachers and will focus on the class' current topic. They will contain activities that are open ended. Class teachers will request that Home Learning is brought into school in order to track what the children are doing.

Additional Information

- ◆ Water bottles are provided for each child, from the Friends of St. Peter's, and these should be cleaned, re-filled and sent with fresh water each day. Spare bottles and lids can be purchased from the school office and school caps when needed
- ◆ Only prescribed medicines that are four dosages a day can be administered. The medicine needs to be taken to the school office where the appropriate forms should be filled in. The medicine should be collected from the school office at the end of the day. The form is available on the school website
- ◆ If your child suffers from asthma and needs an inhaler in school then please speak to your child's class teacher
- ◆ All monies need to be placed into an envelope clearly marked with the name of the child, class and contents. All cheques should be made payable to 'Our Lady of Lourdes Multi-Academy company'
- ◆ Earrings are not allowed in school for health and safety reasons
- ◆ All items of clothing should be labelled with the child's name to make it easier for your child to organise their clothing

Travelling to School

Road safety is an important issue and the school has restricted parking. We would ask that you refrain from parking in the school car park as it is for staff, deliveries and to ensure that there is access for emergency vehicles in the event that they might be needed.

We ask you to respect the local residents and please think of the environment and walk to school whenever possible. Parents can park on the car park at St. Andrew's Church in Lyttleton Avenue, and walk the short journey to school.
