Dear Parents / Carers,

Once again this week Miss. Colclough and I have been able to visit classes and speak to the children to inform the end of year evaluation of our school priorities. The children have discussed their experiences in ERIC (Everyone reading in class), how they feel about writing and the introduction of the new cursive handwriting scheme. We also spent time talking about Maths and the Catholic Pupils School Profile, which the children could discuss eloquently. The children were very honest in their feedback and came up with some good suggestions on how we could further improve things to help them. Some of these ideas we hope to be able to implement in the Autumn term.

Today Miss. Colclough and I are attending the Annual Diocesan Leadership Conference in Birmingham with the Chair of our Academy Committee. This provides us with an opportunity to meet with other Catholic Senior Leaders to listen to inspirational speakers and reflect upon our gift of faith that directs our mission and apostolic work of education.

The coming weeks are going to be a very busy time in school. Next week Miss. Tilsley has planned some fabulous activities for us and so far the weather is looking to be very promising. Please remember to bring your spare change for our defibrillator bucket collection on Sports Day. Mrs. Cole is busy planning an Arts Week and there will be more information to follow. We are also thinking about our transition to our new classes and new schools.

This week I have included a website link to an online safety website regarding children's use of the game Fortnite <https://bit.ly/2jNkEa>
Many children in school are talking about playing this game and re-enacting it in their play. We are beginning to see a negative impact upon the children's attitude and behaviour. Please note that the PEGI rating for this game is 12+
