Dear Parents / Carers,

Another week has flown by! Thank you to everyone who has been able to attend our workshops for Writing and Phonics this week. As a school, we really value the time that you give to supporting your *child's learning*. Thank you also to the staff for preparing and leading the information sessions. We hope you found the ideas and activities useful.

Please remember to sign up online for a Parents' Evening appointment. If you have lost your login details please contact Ms. Thornton in the school office.

During the past two weeks Miss. Colclough and Mrs. Williams, Mrs. Porter and I, have visited different classes to look at the classroom environment and the learning taking place within RE and English. We have had a specific focus on reading and writing composition as these are key priorities within our school. It has been lovely to see the variety of strategies being implemented throughout the school and the impact they are having and *have had on the children's* reading and writing. Please continue to support the children particularly with their daily reading, spellings and Home Learning activities.

Have a lovely weekend.
