Faith-filled and Hopeful

Dear Parents / Carers,

Thank you to everyone who attended our Year 1 Phonics Workshop on Tuesday morning. The hall was a hive of activity when I walked through and there were lots of activities for everyone to try. Please complete the feedback form that you have been emailed.

It was lovely to welcome so many parents to our assembly this morning, led by the Hedgehogs. The children shared a wonderful message of kindness, encouraging us all to fill up *each other's 'invisible bucket'* by trying to "Be kind" to others in our thoughts, our words and our actions. Well done to everyone. Thank you to Mrs. Porter, Mrs. Masterson and Mrs. Brown.

Thank you to everyone who has sent in a tin (or two) for our Lenten collection for the Basement Project. We still have a few more weeks to fill our purple bags.

In light of the current Coronavirus I would like to remind you that school will remain open until directed to do otherwise by the Government or Public Health. In the event of any closure parents will be informed via the usual communication methods, text, email and our school website. In line with national guidance we continue to encourage the children to wash their hands more regularly and to catch sneezes and coughs in a tissue or their elbow. We would also request that hand sanitiser **is not** sent into school for your child to use. Guidance states that this should only be used where soap and water is not available. *If you have any concerns about your child's health then please click on the Coronavirus link below which can also be found on the home page of our school website for the latest DfE / Public Health advice.*

During this difficult time, we all need to be vigilant and act upon the advice given.

Have a lovely weekend.

Kind regards, Mrs. Clubley
