

ST. PETER'S CATHOLIC FIRST SCHOOL (ACADEMY)

Our Lady of Lourdes Multi-Academy Company
"Love God and Love One Another"

Dear Parents / Carers and Children,

I hope you all managed to get a break over the half-term. Here at school we continue to be very busy caring for the children of critical keyworkers and preparing for the wider re-opening of school to some of our pupils in Reception and Year 1. This involves every member of staff who is able to attend school.

Home Learning will still be provided on a Monday but you will also receive your class email from your teacher on a Monday instead of a Friday.

As you are aware, over the half-term break IT changes were made across the Our Lady of Lourdes Multi-Academy Company. Unfortunately, further changes had to be made to the new publicised email address and there have been some setbacks during this transitional period. Our new office email address is: office@stp.lourdesmac.org.uk

We apologise if you have been unable to make contact with us or access the Home Learning. Many of the 'teething issues' have now been resolved. We also now have our new class email addresses, but we may not have received any email communication that was sent to the old address during this time. Can I please remind you that the class email addresses are NOT to be used to communicate with the class teachers directly, but to share your child's achievements. Any queries or concerns should be sent directly to the school office where they will be forwarded appropriately.
