

ST. PETER'S CATHOLIC FIRST SCHOOL (ACADEMY)

Our Lady of Lourdes Multi-Academy Company
"Love God and Love One Another"

Dear Parents / Carers and Children,

The end of week two seems to have arrived very quickly and the children (and staff) have once again, been able to enjoy the warm and dry weather. The flow of parents arriving in the morning and at the end of the school day has improved steadily throughout the week. Thank you for your patience and continuing support to ensure that through our staggered arrivals and collections, and our one-way system we are able to keep our community safe. Due to the continuing rise in cases throughout the local area and due to our proximity to Birmingham I would like to request that as of Monday face masks are worn by adults when coming on to the school site. This will ensure that if you are unable to keep within the social distancing guidelines of 2m we are still able to mitigate the transmission of any covid symptoms. I would also ask that all adults also respect those who may be unable to wear a face mask. Face masks DO NOT need to be worn by children. Please continue to make every effort to arrive during your time slot.

During our virtual assembly this morning the children were reintroduced to 'Captain Resilience' and we presented our Resilience awards for this week. Now, more than ever, we all need to develop our resilience to help us to cope and adapt to the ever-changing situation. At St. Peter's we use Captain Resilience to help us to encourage and develop the children's strategies through promoting the following key messages:

- It is okay to make mistakes because they help us to learn
- Believe we can do it even if we can't do it yet
- Know when to listen and help others to listen
- Always try and never give up
- Never be afraid to ask for help

Weekly Prayer

Father God,

Thank you for this brand-new school year.

We pray that we will make the most of it, do our best, try our hardest, listen well, do what we are told and always remember to say 'please' and 'thank you'.

We pray the you will bless our teachers.

Give them wisdom,
grant them patience,
give them strength,
grant them grace.

Thank you for them,
for the wonderful work they do,
for the special things they teach us,
the special people that they are.

Please help all of us to make you the centre of our community and listen to you, the greatest teacher of them all.

Amen.

Tony Bower

To help us to prepare in the event of any future lockdowns or self-isolation we are in the process of preparing our curriculum offer for remote learning. In order to help our planning we would ask you to complete the Microsoft form electronically.

Have a lovely weekend.

Keep well, keep safe and take care,

Mrs. Clubley

Notices

- Replacement water bottles, ties, bookbags and caps are now available to purchase via parent pay.

Celebration Awards			
Class	Catholic Schools Pupil Profile Certificate	Handwriting Award	Captain Resilience
Butterflies			
Bees
