

ST. PETER'S CATHOLIC FIRST SCHOOL (ACADEMY)

Our Lady of Lourdes Multi-Academy Company
"Love God and Love One Another"

Weekly Prayer

During uncertain times we are perhaps more acutely aware of the need to stay grounded, to appreciate the familiar and seek out safety. For people of faith we can remind ourselves of the reality of God's presence and that God is Love.

Loving Father,
Help us to consider every encounter with the children in our care as sacred – an opportunity to show love, respect and humility.
Amen.

AMcB

Dear Parents / Carers and Children,

As Friday arrives the sun has decided to shine for us again.

Thank you for your patience and continuing support in following our procedures to ensure that we are able to keep our community safe. Please continue to make every effort to wear a face mask when coming on to the school site. This will ensure that if you are unable to keep within the social distancing guidelines of 2m we are still able to mitigate the transmission of any covid symptoms. I would also ask that all adults also respect those who may be unable to wear a face mask. Face masks DO NOT need to be worn by children.

Please also continue to make every effort to arrive during your time slot. I have added them below as a reminder. Some children are arriving early and others late which causes a potential risk to 'popping' our bubbles. The gate will be locked at 9.10am to enable staff on duty to continue with morning duties such as Assembly.

Class Bubble	Arrival Time
Dragonflies & Grasshoppers	08:45
Hedgehogs & Squirrels	08:50
Foxes & Badgers	08:55
Owls & Woodpeckers	09:00
Bees / Butterflies / Siblings	09:05

Please read the important letter attached about changes to our end of day collections. This will begin as soon as we have our new blue footprints.

Many thanks to everyone who followed the link and completed the Microsoft online form which will help with our planning to provide continuous education in the event of a local lockdown or bubble closure. I would also like to thank all those who completed our parent survey either at the end of the Summer term or over the past couple of weeks. I hope to be able to share the results with you shortly.

As the weather is becoming more autumnal please ensure that your child has a warm, waterproof coat to wear in school each day. Children are outside more now due to the increased ventilation. On wet days we are happy for children to come to school wearing their wellington boots and bring their school shoes to change into. Please ensure that they are labelled with your child's name.

This afternoon your child will bring home a Christmas card template. This is a great way for us to raise additional and much needed funding for our school. Please support this initiative if you are able to by encouraging your child to design a Christmas card and return the completed design to school by Friday 16th October.

Have a lovely weekend.

Keep well, keep safe and take care,

Mrs. Clubley

Notices

- Please be considerate to our neighbours when parking in Highfield Road or Manor Court.
- Thankyou

Celebration Awards			
Class	Catholic Schools Pupil Profile Certificate		Captain Resilience
Butterflies			
Bees			
Dragonflies	Macie-Rose has shown that she is Curious by thinking of different questions she would like to find out during our next 'Once Upon a Time' topic.	Harley	Alessia for trying hard and never giving up
Grasshoppers	Gabriel has shown that he is active by volunteering to demonstrate the body labelling activity in science.	Bertie	Phoebe for always knowing when to listen
Hedgehogs	Chloe has shown that she is prophetic by setting a good example in both her behaviour and attitude to her learning.	Rory	Rose for trying and never giving up
Squirrels	Nyla has shown that she is learned by thinking carefully about what different habitats provide for different animals.	Aaron E	Brian for trying and never giving up
Badgers	Harvey has shown that he is active by demonstrating great history knowledge during our timeline lesson.	Rose	Vinnie for trying hard and never giving up
Foxes	Joshua – has shown that he is eloquent by writing a fantastic 'Show not Tell' sentence to describe Oliver's fears.	Isaac	Leo for knowing when to listen and for helping others to listen
Owls	Molly - has shown that she is eloquent by explaining her ideas carefully in RE.	Sophie	Max for trying hard to listen to instructions carefully.
Woodpeckers	Tommy has shown that he is eloquent by sharing his knowledge in science about teeth.	Harry C	Poppy J for trying hard and never giving up
