

# ST. PETER'S CATHOLIC FIRST SCHOOL (ACADEMY)

*Our Lady of Lourdes Multi-Academy Company*  
*"Love God and Love One Another"*

Dear Parents / Carers and Children,

I am sorry that we were unable to share a live Celebration Assembly this morning. Unfortunately, Microsoft have made some changes which prevented this from happening. We are hopeful that we will be able to resume next week when I look forward to presenting 'double awards.' This week you should have received an additional Collective Worship video from Mrs. Richardson where she shared a Bible story with you all. Each week a different teacher will be leading that session. At school we usually join together for Collective Worship first thing in the morning or at the end of the school day. As this is pre-recorded you are able to access it at different times. Each teacher also records the weekly RE lesson for your child's class.

I have had some lovely conversations with the staff who have been sharing with me, some of the wonderful work you are all doing at home. Please continue to email your child's Class teacher and share more of your work with them. Next week we are introducing 'Well-being Wednesday' and the teachers have put together a selection of activities that you can choose from to take an opportunity to pause and reflect. The activities can be used by the children independently or you may decide to use some of them as a family. As I said last week, if Wednesday is a busy day then use the activities on a day that works for you.

If you completed our school Acceptable Use Policy via the link you were sent then you will have received your child's O365 user name and password this week. The emails explained what you need to do and we look forward to sharing further developments with you very soon.

Please be assured as always that you are all in my thoughts and prayers.

Thank you all for your continued support.

Remember we are here for you all.

Keep well, keep safe and take care,

Mrs. Clubley

### Weekly Prayer

Dear Lord,  
 In the darkness of winter bring us your light.  
 The light of the morning, and sunny, clear skies.  
 The light of your Son, Jesus born in winter.  
 In the darkness bring us your light.  
 Amen.

Nick Harding

## Celebration Awards

Class	Catholic Schools Pupil Profile Certificate	Captain Resilience
Butterflies	Double awards next week	
Bees	Double awards next week	
Dragonflies	Double awards next week
